Personal information

Your personal information will be held confidential to Outward Bound, in accordance with the Privacy Act (1993), for the purposes of Outward Bound courses and associated administration, including promotional activities.

You have the right to see all information held by Outward Bound and may ask at any time for that information to be corrected.

Promotional material

You authorise Outward Bound the right to use your name, comments and images (video footage or photographs) that are obtained in relation to your Outward Bound participation and to disclose this information to third parties for marketing and public relations purposes; these materials will remain the property of Outward Bound.
You grant Outward Bound permission to contact you by email, including a regular e-newsletter and other updates.

HEALTH & WELL-BEING

Safety

Your safety and welfare is our primary concern, however you do participate at your own risk and there are times without direct staff supervision. Our courses are designed to be mentally, emotionally and physically challenging, with long days and a good night's sleep not

guaranteed. Activities occur in all weather conditions and can include off-track tramping, camping (sometimes alone), kayaking, running, sailing, swimming, rock climbing and high-ropes.

Although we have procedures in place to minimise risk, none of these risks can be completely eliminated. When undertaking any activity, you will be briefed on the risks and how to manage them. There is a chance you could get a cold, stomach illness, blisters, sunburn, exhaustion, wasp stings, infected cuts or insect bites, sprains, or some other injury, and may be asked to sit out certain activities.

There have been no major life changing injuries at Outward Bound in over 10 years, however, serious risks can never be completely eliminated. These include injury from falling, drowning, burns, hypothermia, heat stress or road accidents. To reduce the likelihood of a serious accident we have a robust externally audited safety management system, which includes trained staff, up-to-date weather forecasts, robust communication protocols, modern equipment, and emergency procedures.

Smoke, drug & alcohol free

Outward Bound has a strict no-smoking policy. No alcohol or non-prescription drugs are permitted.

Medical form

Your Outward Bound medical form must be completed by a medical doctor no more than 90 days before your course, and returned 8 weeks before your course start date.

Confirmation of your enrolment is subject to approval from both your doctor and Outward Bound. This is to ensure your safety, the safety of others, and quality course outcomes for all.

- I am willing to fully participate in my course, comply with all instructions, and respect others, their beliefs and belongings.
