

Who guessed where in the Tonnage Sweepstake?

This year we have a couple of hundred entries, but the lowest entries are higher, and the highest entries are lower, which can only mean that we think we're getting better at this! Here's the entries, from stunningly pessimistic Dave Knappstein in Marlborough at 336,000 tons to the rose-tinted optimism of Newton Popplewell of WineWorks at 565,565 tons! Last year's winner was Chrissy Owen at WineWorks Marlborough's Value-Add area, who hit it on the head at 419,000 tons, winning both \$50 notes! Now all you have to do is wait for the NZ Winegrowers announcement in May/June, and make space in your wallet ...
